

Antigonish Badminton Etiquette

1. Always help with setup and cleanup (Poles & Nets).
2. Take care of nets, shuttles and any club equipment.
3. Walk around (not across) the courts to avoid risk of injury when play is going on.
4. Applaud & cheer good shots for both sides during a game.
5. Make sure everyone gets to play. Take turns on the courts.
6. Always practice good sportsmanship. It's not whether you win or lose but how much fun you have playing the game.
